Chapter 91, HRS, Adjudicatory Matters:

Chairperson Leong called for a recess from the Board's meeting at 9:12 a.m. to discuss and deliberate on the following adjudicatory matters pursuant to HRS chapter 91.

1. Settlement Agreements

- a. In the Matter of the Contractor's Licenses of Roto-Rooter Services Company and Federico Y. Gampong; CLB 2020-330-L

Between June and September 2020, Roto-Rooter Services Company ("Respondent Roto-Rooter") assigned and Federico Y. Gampong ("Respondent Gampong") allowed more than a dozen unlicensed plumbing apprentices and service technicians to perform plumbing work at more than 200 plumbing jobs in the City and County of Honolulu, State of Hawaii, without a properly-licensed plumber accompanying or supervising them in the performance of that plumbing work.

None of the contracts or invoices for the referenced plumbing jobs disclosed all information required by Hawaii law, nor did Respondent Gampong sign or initial those contracts or invoices.

If proven at an administrative hearing, the allegations would constitute violations of the following statutes and rules: HRS sections 436B-19(6) (aiding and abetting an unlicensed person to directly or indirectly perform activities requiring a license); 436B-19(16) (employing, utilizing, or attempting to employ or utilize at any time any person not licensed under the licensing laws where licensure is required); 444-9.3 (aiding or abetting an unlicensed person to evade HRS Chapter 444); 444-9.5 (requiring at least half of all individuals performing plumbing work at a project to be licensed in accordance with HRS Chapter 448E); 444-25.5 (requiring disclosures and written contracts); HAR sections 16-77-80 (requiring disclosures in written contracts); 16-77-71(a)(1) (requiring the principal RME to be in a position to secure full compliance with the laws governing contractors); 16-77-71(a)(2) (requiring the principal RME to sign or initial all contracts) and/or 16-77-71(a)(5) (holding the principal RME responsible for any violation of the laws governing contractors).

Respondents agrees to pay an administrative fine in the amount of \$50,000.00.

After discussion it was moved by Mr. Higashihara, seconded by Mr. Isemoto, and unanimously carried, to approve the Settlement Agreement Prior to Filing of Petition for Disciplinary Action in the above cases.

Following the Board's review, deliberation and decisions in these matters, pursuant to HRS chapter 91, Chairperson Leong announced that the Board was reconvening to its open meeting at 9:29 a.m.

Executive  
Session:

At 9:30 a.m., it was moved by Mr. Isemoto, seconded by Mr. Arita, (with the exception of Mr. O'Donnell, who lost audio connection to the meeting), and carried by the majority, to enter into executive session pursuant to HRS section 92-5(a)(1) to consider and evaluate personal information relating to individuals applying for professional or vocational licenses cited in HRS section 26-9, and to consult with Christopher Leong, Deputy Attorney General, on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities pursuant to HRS section 92-5(a)(4).
