Chapter 91, HRS,  
Adjudicatory  
Matters:

Chairperson Isemoto called for a recess from the Board's meeting at 9:27 a.m. to discuss and deliberate on the following adjudicatory matters pursuant to HRS chapter 91.

1. Settlement Agreements

- a. In the Matter of the Contractors Licenses of Central Striping Service Inc. and James R. Lesniewski; CLB 2021-259-L

The State of Hawaii Department of Labor and Industrial Relations – Wage Standards Division (DLIR-WSD) issued a Notification of Violation (Case No. 011990) to Central Striping Service Inc. (“Respondent CSS”) on April 23, 2021.

The Notification of Violation found Respondent CSS in violation of Hawaii Revised Statutes (“HRS”) Chapter 104-2(b), 104-2(c), and 103(a) relating to unpaid wages in connection with the Airport Pavement Markings and Miscellaneous Improvements at Molokai Airport job (the “Project”).

The DLIR-WSD issued a Wage and Penalty Assessment against Respondent CSS in the amount of \$2,582.54 which Respondent CSS paid in full on April 29, 2021.

RICO alleges that the Notification of Violation establishes Respondent CSS failed to pay one employee the prevailing wage in violation of HRS section 104-2(b) and two employees overtime in violation of section 104-2(c). The Notification of Violation also establishes Respondent CSS failed to submit weekly certified copies of payroll to the contracting agency in violation of HRS section 104-3(a). Respondent CSS failed to provide written notification of the Notification of Violation to the Board within thirty (30) days.

If proven at an administrative hearing, the allegations would constitute violations of the following statutes and rule: HRS sections 444-17(6) (willful violation of any law of the State, or any county, relating to building, including any applicable safety or labor law) and HRS 436B-16(a) (failure to provide written notice within thirty days to the licensing authority of any disciplinary action which adjudges or finds that the licensee is liable for any loss caused by the licensee's conduct in the practice of the licensee's profession); and HAR sections 16-77-71 and 16-77-75 (RME responsible for acts and omissions of contracting entity).

Respondents agree to pay an administrative fine in the amount of \$250.00.

After discussion it was moved by Mr. Higashihara, seconded by Mr. Teves, and unanimously carried, to approve the Settlement Agreement Prior to Filing of Petition for Disciplinary Action in the above case.

## 2. Board's Final Order

### a. In the Matter of the Contractors' Licenses of Brilliant Construction Inc. and Benny Lee; CLB 2018-284-L

On or about November 20, 2020, the Contractors License Board ("the Board") issued its Final Order and ordered Brilliant Construction Inc. and its responsible managing employee, Benny Lee ("Respondents") each be fined \$2,500.00. The Board further ordered Respondents to fully satisfy the fine imposed by the City and County of Honolulu in 2017/NOO-253 within six months of the entry of the Board's Final Order in this matter.

The Board's final order was efiled on or about December 12, 2020.

To date, Respondents have provided RICO with no documentation of having satisfied the aforementioned City and County of Honolulu fine upon being requested to do so by RICO.

RICO requests that the Board revoke the contractors licenses of Respondents for their failure to comply with the requirements of the Board's November 20, 2020 Final Order.

The Board gave Mr. Lee the opportunity to appear (by himself or with an attorney) and contest the contents of RICO's affidavit and/or demonstrate that he is in compliance with the terms of the Board's Final Order.

Mr. Lee, Michael Jay Green, Esquire, and Eric A. Irwin, attorney with the Regulated Industries Complaints Office ("RICO") were present.

It was moved by Mr. Higashihara, seconded by Mr. Nishek, and unanimously carried to revoke the Contractors' Licenses of Brilliant Construction Inc. and Benny Lee for their failure to comply with the requirements of the Board's November 20, 2020 Final Order.

Following the Board's review, deliberation and decisions in these matters, pursuant to HRS chapter 91, Chairperson Isemoto announced that the Board was reconvening to its open meeting at 10:58 a.m.

Executive  
Session:

At 11:02 a.m., it was moved by Mr. Higashihara, seconded by Mr. Alejado and unanimously carried to enter into executive session pursuant to HRS section 92-5(a)(1) to consider and evaluate personal information relating to individuals applying for professional or vocational licenses cited in HRS section 26-9, and to consult with Christopher Leong, Deputy Attorney General, on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities pursuant to HRS section 92-5(a)(4).

At 1:46 p.m., it was moved by Mr. Higashihara, seconded by Mr. Leong, and unanimously carried, to move out of executive session and to reconvene to the Board's regular order of business.

Appearances  
Before the Board:

- a. Anthony H. Gregory, Jr., RME  
Mana Construction Inc.  
"B" General building

It was moved by Mr. Higashihara, seconded by Mr. Leong, and unanimously carried, to defer Mr. Gregory's application for licensure in the "B" General building classification pending the submittal of (1) a revised project list (on the Board's form) verifying forty-eight months of his on-site supervision and direction of his own employees constructing a building from foundation to roof "ground-up" and from start to finish, including new stand-alone structures, noting trades performed in house versus trades subcontracted to other licensed contractors; and (2) new notarized Experience Certificates showing accurate employment information. In addition, the Board noted that the Amount of Supervisory Experience on Mr. Gregory's project list appears to be overstated and must be revised to only include the actual amount of time he spent on-site supervising his own employees performing work in the "B" General building classification.

- b. Michael G. Keith, RME (Additional classification)  
Titan Industries LLC  
C-31e Concrete cutting, drilling, sawing,
